

Hackathon

We are doing a hackathon at EAL in Odense on the weekend **May 20th to 22nd 2016**

Do you like to code?

Do you have a project you are working on?

Do you want to code along with friends?

Do you want to find others to work with on a project?

Do you want to be inspired by guest professionals?

Then come with your computer to our hackathon!
